Biden Urges America to Lead Out in the New World Order!, part 2

As we learned last time, on March 21, 2022, president Biden stated that **"there's going to be a new world order out there, and we've got to lead it. And we've got to unite the rest of the free world in doing it."** WH.GOV video posted on YouTube on March 21, 2022, Time stamp 14:14-14:53, at youtube.com/watch?v=dFn8_ESsffl&t=46s, accessed 6-28-22.

We then learned that there is a Plan that will unite the whole world together into a One World Order, and this One World Order will consist of a One World Government, a One World Economy, a One World Educational System, and especially a One World Religion. Further, the chosen day of worship for this One World Religion and Order will be on Sunday, and all who refuse to go along with this Plan will be killed.

But is it really possible that people will be killed just because they refuse to worship on Sunday? Is it really possible that mass bloodshed will occur to all who refuse to go along with the New Age Plan of Lucifer and his One World Order?

Christopher Hyatt, who is the head of the secret society called Order of the Golden Dawn, states:

"I perceive, on a mass scale, that the New Age is not going to come into being as so many people believe and wish to believe. **I see it as requiring a...lot of blood, disruption, chaos and pain for a mass change to occur.**" Magical Blend, Issue #16, 1987, p 22.

The Maitreya, or a false christ of the New Age, states:

"Man must **change or die**; there is no other course." Reappearance of the Christ, p 246, by Benjamin Creme.

This means that those Christians who choose to be loyal to the living God of Heaven, being obedient only to Him and His truth, who worship Him on His seventh day Sabbath, who refuse to obey the command of the One World Church and One World Government to worship on Sunday, will be considered antagonistic to the New World Order and will be targeted for removal out of it!

"Those who fall back to old-time religions are trying to hide in the past...Such timidity is unacceptable. We have to face the world as it is, doing what is necessary to save it....A growing number of people...are sponsoring a backlash against the wave of religious fundamental fanaticism...The right course to take is that which will lead to a new world of unity and world law." Solar Man, p 244-247, by Thomas Ehrenzeller.

In fact Ehrenzeller states that this backlash against fundamental Christians, "is the final, most critical stage in the maturation and civilization of man." Solar Man, p 6.

Even "spirit guides", or evil angels, have revealed that after all those who refuse to go along with the Plan are removed, then there will be:

"The New Age [which] will bring joy and happiness unexcelled since the days of the Atlantean era." But only those whose minds are "open to the reality of one world" will be around to enjoy this "wondrous era." Threshold To Tomorrow, p 206-207, by Ruth Montgomery.

But just how many people are estimated as needing to be exterminated in order to bring about the Plan? New Age advocate, Barbara Marx Hubbard states:

"No worldly peace can prevail until the self-centered members of the planetary body [Christians] either change or die. That is the choice....Destruction...[to] those who refuse to be born into God-centered, universal life....Only the God-centered will survive to inherit the powers of a universal species....

"It must be done for the sake of the future of the whole. So be it; be prepared for the selection process which is now beginning....

"We will use whatever means we must to make this act of destruction as quick and painless as possible to the **one half of the world** who are capable of evolving." Barbara Marx Hubbard in Prophecy in the News, April, 1990; quoted in *Globalism*, p 2-4, by Raymond Blanton.

As only "one half" of the world's population is estimated as being capable of evolving into the One World Order, then the other half of the world's population must be targeted for destruction! Since the population of the world is estimated today at almost 8 billion, then this means that nearly 4 billion people are targeted to be murdered in order to establish Lucifer's New World Order!

But how could all these followers of Lucifer possibly be led to believe and actually participate in the mass murder of such a staggering amount of their fellow human beings? It is because they believe in the false doctrine of the immortality of the soul. They believe that when someone dies they do not really cease to exist, but they just have another chance to accept the Plan and thus be accepted back into the physical world. Thus this plan for mass murder is not feared or looked upon as being in-human or evil, but is seen to be something desirable in order to more quickly bring about the Plan.

Whereas the Bible states that death is just like sleep (see John 11:11-14; 1 Corinthians 11:30, 15:20), that the dead know not anything (Ecclesiastes 9:5-6), that all the dead will be resurrected to either eternal life because their actions were judged to be good and founded in the Lord Jesus (see John 5:28-29; 1 Corinthians 15:51-52; 1 Thessalonians 4:16-18; Luke 14:14), or they will be resurrected to suffer the lake of fire and eternal death because their actions were judged to be evil and founded in the devil (see John 5:28-29; 2 Peter 2:9; Revelation 20:11-15).

It is important to understand that since the followers of Lucifer believe in the immortality of the soul, then killing all who oppose the Plan for a One World Order is not looked upon as being wrong.

"Death is not a disaster to be feared; the work of the Destroyer is not cruel or undesirable...therefore, **there is much destruction permitted by the Custodians of The Plan** and much evil turned into good." Alice Bailey, quoted in Whole Life Times, Winter, 1986-1987, p 57, 71-72.

Do you begin to realize the immensity of what is now ready to break forth upon the world? Persecution and "a time of trouble, such as never was since there was a nation" (see 2 Timothy 3:12; Daniel 12:1). This planned persecution and murder of nearly 4 billion people today will more than rival the persecution of the Christians during any time in the history of this world. Greater than the millions of Early Christians which suffered and died by the hand of the Romans. greater than the 50 million Protestants which suffered and died by the hand of the Papacy during the Dark Ages (see *The Other End of the World*, p 127, 191, by Roger Rusk), and greater than the 1-3 million French people which suffered and died during the French Revolution (see *The French Revolution*, p 419, by Nesta Webster).

Those who choose to follow Lucifer's Plan will be blinded to think that their long hoped for Millennial New Age of peace and tranquility will not become a reality until all the people of the world--especially the Christians--compromise and change their beliefs, or are eliminated.

Benjamin Creme readily admits that:

"Man must share [in their belief] or die...."

"Those who remain adamant will eventually find themselves in the minority and will have to live with it or withdraw from this life...."

"They will find it impossible, however, to halt the momentum of change, and eventually will have to adapt to the new conditions...the alternative is annihilation." *Maitreya's Mission*, p 109, 128, by Benjamin Creme.

Alice Bailey, writes:

"We are told that Light and Love and Power and Death must be invoked to fulfill the purpose of the Coming One [the Rider from the secret place, or Lucifer]...."

"Light, with which to see the new vision..."

"Love...the fixed determination to do what is best for the whole of humanity, or for the group...."

"Power...the ability to know the Plan and to work for its furtherance..."

"And Death...the 'power to relinquish,' [or **take away life**], **which becomes in time the characteristic of the pledged disciple**. The New Era is coming; the new ideals, the new civilization, the new modes of life, of education, of religious presentation and of government are slowly precipitating and naught can stop them. They can, however, be delayed by the reactionary types of people, by the ultra-conservative and closed minds, and by those who cling with adamantive determination to their beloved theories [or truths of God's Word], their interpretations and their peculiar and oft narrow understanding of the presented ideals. They are the ones who can and do hold back the hour of liberation [of the world from everything against the Coming One--or Lucifer]....**these must all be brought under the power of death. They can be relinquished with safety and security and not fear of results..**" *The Externalisation of the Hierarchy*, p 276-279, by Alice Bailey.

As the catastrophes at sea, land, air, and other natural desolations are to continue one after another, who will all these catastrophes be blamed on? It will be blamed upon those who refuse to change or compromise their beliefs in God and His word in order to be acceptable to the One World Order. Hence the followers of Lucifer will be determined to find and kill God's people.

What are God's followers supposed to be doing during this time just before probation closes for the world, and the plagues of God are poured out? They are supposed to be heralding the last precious message of mercy and loud cry found in Revelation 14 and 18--calling people away from being united with Lucifer and away from belonging to his Babylonish churches and organizations, in order to be one with God through Christ's righteousness! This of course will enrage the followers of Satan even more.

In the midst of these scenes, Sunday legislation will occur. All will then be prepared for Lucifer to come personating Jesus Christ. When he does personate the Lord of the Sabbath or Jesus, Satan--being the lord of the first day of the week--will present his spurious Sunday-sabbath as a test of loyalty to him. And he will command all the world to obey. Thus all of humanity will be forced to either accept or reject Sunday as the sabbath! It will be an almost overpowering delusion!

But in obeying the commandment to worship on Sunday instead of Saturday, you would be showing loyalty to Lucifer and to the Beast. Thus you would receive the mark of the Beast which is symbolically placed in the forehead--showing that you really believe in it; or placed in the hand--showing that you do not necessarily believe in it, but will go along with it anyway. In refusing to obey the commandment of Lucifer to worship only on Sunday, and instead worshiping God only on Saturday, you would show loyalty to the God of heaven. Thus you would receive the mark or seal of the living God. But in choosing God's Sabbath over Sunday you would be showing disrespect to Lucifer who is hailed by the world as being Jesus returned to the earth! Thus these faithful people of God will be exposed and then targeted for removal.

Every single person of the earth will be brought to decide for Lucifer and his spurious sabbath, or for the God of Heaven and His true Sabbath. And compromise will be impossible--it is an either/or decision! And the Roman Catholic Church understands this issue very well!

"The arguments...are firmly grounded on the word of God, and having been closely studied with the Bible in hand, leave no escape for the conscientious Protestant except the abandonment of Sunday worship and the return to Saturday, commanded by their teacher, the Bible, or, unwilling to abandon the tradition of the Catholic Church, which enjoins the keeping of Sunday, and which they have accepted in direct opposition to their teacher, the Bible, consistently accept her (the Catholic Church) in all her teachings. **Reason and common sense demand the acceptance of one or the other of these alternatives: either Protestantism and the keeping holy of Saturday, or Catholicism and the keeping holy of Sunday. Compromise is impossible.**" James Cardinal Gibbons, in Catholic Mirror, December 23, 1893.

This reveals that we have Catholicism, the Government, the New Age, the One World Religion, the New World Order and Lucifer all saying basically the same thing – that you go along with the Plan and keep Sunday holy, and no one will be allowed to compromise to avoid the consequences!

When Lucifer personates Jesus, and the Sunday law becomes universal, God's people will be commanded to worship this "supreme being of dazzling brightness," and what are they going to have to do? They will have to stand up for the real Christ and His truth and tell others that when Jesus Christ--the Living Son of God--comes the second time, it will be with power and great glory, with ten thousand times ten thousands of angels; and every person around the world will see Him come at the same time (see Matthew 24:30-31; Jude 14-15; Revelation 5:11, 1:7). They will also proclaim that this being personating Jesus cannot be the real Christ returned to the earth the second time, but must be Lucifer or Satan or the Devil--the foe of God and man's worst enemy!

When God's people proclaim that this "supreme being" whom the majority of the world is worshiping and following as Jesus, is really Satan--the enemy of God and man, how do you think the people will respond? A few will listen, but the majority will become incensed and enraged, and with furious zeal they will hunt down and persecute God's people. But why will they hunt down those people of God which have told them the truth? God tells us why:

"...because **they received not the love of the truth, that they might be saved....**for this cause God shall send them strong delusion, that they should believe a lie: that they all might be damned who believed not the truth, but had pleasure in unrighteousness." 2 Thessalonians 2:10-12.

After all people have made their decisions and are sealed for God, His truth and His Sabbath, or are marked for Lucifer, his doctrine and his sabbath, then Christ ceases His intercession and steps out from between humanity and the Father, and probation then closes for the whole world. Christ then leaves the most holy place and comes to the door of the first apartment, confesses or places all the sins upon the scapegoat's (Satan's) head, and then the fit man (144,000) leads him into the land of wilderness or forgetfulness (Leviticus 16:20-22). Christ then takes off His priestly garments and puts on His kingly robes of vengeance (Leviticus 16:23; Ezekiel 42:14); the 4 angels cease to hold the 4 winds (Revelation 7:1-4); the destroying angels of Ezekiel 9 begin their work and the 7 last plagues begin to fall upon the heads of the desolate wicked, and the time of Jacob's trouble begins (Jeremiah 30:5-8).

These tremendous scenes and severely trying times are just before us. And please do not believe that God will "rapture" His people out of the world before all these troublous and trying times occur. The Bible states that the second coming of our Lord and Saviour Jesus Christ will not occur until after

"...that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of His coming: even Him [Jesus], whose coming is **after the working of Satan** with all power and signs and lying wonders, and with all deceivableness of unrighteousness..." 2 Thessalonians 2:8-10 (see also Revelation 3:10-11).

Since the coming of our Lord and Saviour Jesus Christ is not until after Satan is revealed, who tries to deceive all the world with his lying wonders and mirades, what should God's people be doing NOW to prepare themselves for this time of fiery trial and tests (see 1 Peter 1:3-9, 4:12; Malachi 3:3; Titus 2:13-14; Daniel 12:10)?

Shouldn't we now be overcoming every sin and praying for God to reveal every sin registered against our names in the record books of heaven--so that we can recognize these, ask forgiveness and then forsake these sins (see Philippians 2:12-16; Ecclesiastes 12:13-14; Daniel 7:10; Revelation 3:5, 20:12-15)? It is not a "once saved always saved" position with God. We will only be saved if we continue to hold fast to Jesus and His truth till the very end (see 1 Corinthians 9:24-27; Revelation 2:10-11; 1 Thessalonians 3:8; Hebrews 3:6, 14; Matthew 10:22).

As this is true, shouldn't we now be striving to learn all the precious truth of God's word, getting it riveted in our memories and practicing the truths that we are privileged to hear and learn? Shouldn't we now be putting away all petty differences between us, stopping all the backbiting, all the rumors, everything that is keeping us from working together with God's true people in order to finish God's work? And shouldn't we now be spreading the last message of mercy--the loud cry of the 3rd angel of Revelation 14 & 18--with all the strength which God has given us in proclaiming the fall of Babylon and calling His true and honest people to come out from all the corrupt churches?

In these trying times just before all breaks loose, do not look to any of the established churches to stand up for God and proclaim His truth, because they are already fallen from God's grave and are instead standing up for Satan. And do not expect any church to expose Lucifer as the false Christ when he appears personating Christ, because they all--especially the Seventh-day Adventist church--have sold out to the Devil!

In 1970, the SDA church put out a book titled, *Man the World Needs Most*, by Arthur S. Maxwell. It was made the "Missionary Book of the Year," and sent or passed out free by the hundreds of thousands.

This book states that:

All the problems of the world will be solved when a "new world leader" comes to give this world "a brand new start" (p 12, 14, 35, 69). That this "new world leader" would be "king" over all the earth (p 58), and everyone on the earth will cheer "at His coronation" (p 60). This "new world leader" will empty "hospitals and convalescent homes" by healing the people with "His

touch," (p 78) and will "somehow" make people believe that they are immortal (p 81). This "new world leader" will solve all unemployment on earth by giving everyone "full employment" in his "new regime" (p 82-83) by the "establishment of His kingdom" on the earth (p 83-84) and will take "over the government of mankind" (p 96). This "new world leader" will not allow any "protest" to his designs and plans (p 83-84) in bringing "in the glorious years of eternity!" (p 96).

Now who do we know this "new world leader" to be as described in what I just read? Lucifer personating Jesus Christ come back to earth the second time. But who does the Adventist church state this "new world leader" to be?

"Even so, come, **Lord Jesus!**" Man the World Needs Most, p 96, by Arthur S. Maxwell.

Who is the Adventist church setting up its membership as well as the whole world to accept as Jesus Christ returned to earth? Lucifer--the "shining one"--the "new world leader."

The Seventh-day Adventist church, along with all the other churches, have replaced the teachings of God's Word with the ancient Mysteries of Babylon. They have sold their birthrights in order to become part of this satanic New World Religion and New World Order. And they will also play a major role in its establishment!

Therefore do not look to any established church of today to fight the battles of the Lord, because they have all changed leaders and are fighting the battles of Lucifer. They have accepted the great lie, and are busy preparing their congregations and the world to accept Lucifer as Jesus!

What do you expect the Image of the Beast to do? Exactly what they are doing. And if church members cannot even realize the simple fact that their own church is plainly not following God, but is clearly and decidedly following Lucifer, then how do you think they will be able to discern the grand deceptions and delusions of Satan in the future? How do you think they will be able to stand against the severe trials and extreme pressures soon to hit them, if they cannot even endure the trial and pressure of having to separate from their corrupt and apostate church? They will not be able to!

That is why God, in His infinite love and mercy, is revealing the abominations and sins of the Catholic, Baptist, Lutheran, Episcopal, Adventist, Mormon, Jehovah Witness, and all the other churches, so that His people can see what is really going on, withdraw themselves from all these corrupt churches and man's rule, and learn to solely depend and trust on Jesus "without the camp," as God tells us in Hebrews 13:12-13 and Revelation 18:1-5.

This is also why our Infinite loving and merciful God is revealing the abominations and sins of the world so that His people can see these, withdraw themselves from connection with the attractions and corruptions of the world, and learn to depend upon Jesus and follow Him as God tells us in John 15:18-19, 17:14-16, and 1 John 2:15-17.

If we do not now learn to follow Jesus solely, how do you expect to know how to follow Him later when things get worse? And how many people will give in and follow the great lie of Lucifer and his Plan of One World? Nearly the whole human race! Only a small remnant of people will not succumb to the extreme pressures, and will refuse to give up God and His truth (see Revelation 12:17; 1 Peter 4:18; Matthew 7:13-14; Revelation 22:11-14). Only a few will refuse to accept this great Luciferic lie, and only these will tenaciously hold on to God's truth to the end; but what a glorious future these faithful few remnant will receive for their faithfulness! These faithful few 144,000, along with those faithful raised from their graves, will be able to spend eternity with God and His Son Jesus in Heaven and then on the earth made new without sin and its curse ever rising again; this will be their glorious reward (see Revelation 15:2-3, 21:1-27, 22:1-5)!

If we do not begin to spread God's truth now, it will be nearly impossible to do so when all the forces of darkness break loose upon us! Proclaiming God's truth is our God-given duty to our fellow man, and we cannot shift our duty to another. If we choose to withhold giving this glorious truth to others who sit in darkness and gross darkness (see Isaiah 60:2), then someone must be left in that darkness through our neglect. And how then lives the love of God in our hearts if we do so?

I share these things with you, not to frighten you into despair or into discouragement, or to lead you to follow the downward path of bearing arms and using physical weapons against the New World Order and those who follow The Plan. Remember, the weapons of the Christian warfare are not literal but spiritual (see 2 Corinthians 10:3-7). And our Lord Jesus stated that "all they that take the sword (or use weapons) shall perish with the sword" because in God, not in literal weapons, but in God is our defense! (See Matthew 26:52-53; also see Isaiah 51:12; Psalms 56:11, 89:18, 94:22).

I reveal these things to show you some of what is really facing God's people, and also to show you our extreme need of Jesus. Our extreme need of His saving grace. Our extreme need of His precious robe of righteousness covering our nakedness, and of His word being written in our hearts and minds. Our extreme need of our feet being firmly and unshakably planted on the Rock Christ Jesus and His 10 commandments. Our extreme need of having the whole armor of God upon us, and the joy of His salvation invigorating us. Our extreme need of His precious message of mercy being always in our mouths. And our extreme need of His animating Spirit filling us with holy zeal to revive the living testimony, and to lead us forward in this battle of the Lord against the mighty. This battle will not be easy, but with God and His truth at our side and in our hearts all things are possible (see Philippians 4:13; 2 Peter 2:9; Jude 24)!

Will you be able to stand? Lies and falsehood will become so mingled with truth, that it will only be by the guidance of the Holy Spirit that you will be able to distinguish truth from error. Will you be able to stand? Friends and relatives will prove treacherous and betray you, or do all that they can to place you in hard and trying circumstances so that you will deny your faith and join them in union with Babylon and the Plan of the One World Order (see Luke 21:16-19; Matthew 10:17-22). Will you be able to stand? You will encounter sneers, difficulties, your words and faith will be misrepresented, you will be reviled and persecuted, have to endure coldness and contempt, and the threat of death or even death itself. Will you be able to stand? If your feet are firmly planted upon the unshakable platform of eternal truth--the ROCK Christ Jesus--you will be able to stand and not fall during this time of universal rebellion against God and His truth.

The New World Order with Lucifer as its god will appear to succeed for a while. Thus God's little band of faithful people will appear certain to fall. But they will not fall; they will remain. Only those who refuse to stand upon God's firm platform of truth, refusing the Lord Jesus and His Sabbath day, will be shaken off--or sifted out of Zion--and they will fall and lose eternal life.

"Therefore whosoever heareth these sayings of Mine, and doeth them, I will liken him unto a wise man, which built his house upon a rock: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock.

"And every one that heareth these sayings of Mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it" Matthew 7:24-27.

I hope you have been able to see and understand that Lucifer has everything already prepared, just waiting for permission so that it can burst forth with fury upon all peoples in every nation of this world. But only those who keep and hold firm to God and His truth, and who endure till the end, "shall be saved."

May God help us all to know the truth for ourselves and to keep it, to know our duty and to do it, and to prepare now, for the time of trouble such as never was is about to face us all.

TO OUR READERS AND SUPPORTERS:

"Let There Be Light" Ministries is not using your prayers and donations to build itself into a kingdom, but is concerned with getting the Present Truth into the hands of the common people quickly, effectively, and wisely. Instead of working towards acquiring expensive video and T.V. production equipment, satellite or shortwave facilities, we would rather use the Lord's money in publishing and distributing materials which give the full present truth gospel, as well as supporting full-time foreign ministers and workers around the world who have proven themselves to be reliable and stable. With their monthly support and present truth materials supplied them, these ministers and workers then have the ability to more effectively spread the spoken and printed truth, establish the people in it, and carry this precious truth into the very homes of those who sit in darkness. This is how the Loud Cry of the Third Angel will be spread, and is now being spread! If the Lord impresses you to help in these endeavors, your donations will be greatly appreciated--not just by this Ministry, but by many others as well! **MAY GOD RICHLY BLESS YOU!**

MINISTRY NEEDS

"Let There Be Light" Ministries is committed to the spreading of the full present truth gospel message worldwide, and has been doing so since 1986. This Ministry has operating expenses covering the areas of: printing, publishing, and writing of present truth books, booklets, tracts, and other literature; DVD, video and audio taping, production, and distribution; supporting ministers and workers in foreign Countries; mail order – both domestic and foreign; traveling to hold meetings – both locally, nationally, and internationally; answering correspondence and questions regarding the message of truth; offering National and International Bible studies; sending free present truth literature to contacts in many poor Countries; etc.

Your gracious prayers and support is greatly appreciated and needed. Without the Lord's guidance, blessings, and your support, this Ministry could not continue to reach out worldwide with the precious message of Revelation 14:6-12 & 18:1-5.

May our God and Saviour continue to lead and guide all those who have helped us reach souls who sit in darkness with the precious light of gospel truth. May our supporters remember that they share in each and every soul who has been reached by this Ministry and converted to the Lord and His present truth!

GENERAL FOREIGN MISSION WORK NEEDS

We are currently supporting workers in different Countries on a monthly basis. We check into the economy of each area and supply a base support which is adequate depending on their situation, but not extravagant. This base support is to ensure that the monthly needs of each worker and family is met for that month so that the worker may devote full time to the ministry work. In addition to this, we are sending extra materials for evangelism, and money for printing, publishing, holding meetings, traveling, and other necessary areas in spreading the Present Truth in their Country. And as the work extends, especially will the expenses for evangelism expand. Whatever you can send to help in this necessary and vital area is greatly appreciated.

The work of spreading God's present truth is not to be limited, but must extend world-wide to every nation, kindred, tongue, and people before our Saviour can come (Matthew 24:14). What better way of spreading the Present Truth Gospel than by having workers who speak the native language, who reside in that particular Country, who can live and preach the truth, visit the interests in their homes, and spread the printed truth translated into their native language!

"Our publications should be printed in other languages, that foreign nations may be reached. Much can be done through the medium of the press, but still more can be accomplished if the influence of the living preacher goes with our publications....The Lord has moved upon men of other tongues and has brought them under the influence of the truth, that they might be qualified to labor in His cause." Testimonies, vol 3, p 204-205.

Please financially help us to continue supporting our current ministers and workers on a consistent basis, so that the spreading of the truth will not be interrupted but can quickly lighten this dark world with the glory of God.

"Every opportunity should be improved to extend the truth to other nations. This will be attended with considerable expense, but expense should in no case hinder the performance of this work. Means are of value only as they are used to advance the interest of the kingdom of God. The Lord has lent men means for this very purpose, to use in sending the truth to their fellow men." Testimonies, vol 3, p 208.

CORRESPONDENCE FROM FOREIGN WORKERS

FROM THE PHILIPPINES

(Combination of 2 letters) Dear brother Bob,
3 John 2.

How are you brother Bob? I'm hoping and praying that you're fine. We too are good and fine through the grace of God. We still continue our work for the Lord in the best way we can. We have devoted already our whole life in serving God and doing His work.

For these past months, I was able through the help of God to share to one family the truth that we have through the series of studies with them. I knew the lady and her sister way back few years ago, maybe more than 15 years, and we haven't seen each other that long but we have already shared to her the truth especially about the Sabbath before. And during the time that we haven't seen each other, she joined different Sunday denominations already but was not content to stay there because she always remembered what we shared to them about the Sabbath, and she is looking for a Sabbath-keeping denomination. And then one day, there came in their place the group of Seventh Adventist's doing a crusade, and there she attended every night and on the last day when the pastor is calling for a baptism, she presented herself to be a candidate for baptism that will happen supposedly during that Sabbath. But the Lord worked miraculously!

Before that said Sabbath, during Friday night as we are giving Sabbath greetings to our brethren through the messenger, we were able to greet her also a happy Sabbath and then there started our conversation. That's the time that she told us that she decided to be baptized in the SDA church. We prayed for her that night, and we decided in our self to visit her on Sunday. We thought that on that Saturday she was baptized already. But when we visited her on Sunday, she told us that something happened that hinder her, that's why she wasn't able to be baptized. Because she went to the church on that Sabbath day but she saw that there's no solemnity in their worship, that's why she went home. The Lord works for her and did not allow her to belong in a corrupt church. And we explained everything to her. So twice a week, we went to her house and give them a series of Bible study, until I invited them to joined us in our worship on Sabbath. And now she is attending our Sabbath worship for a month already. [Editor's Note: Praise the Lord for His mercy!]

Also brother Bob, we are still nurturing and establishing those brethren here who are new in the faith. We are encouraging and strengthening them, until they are strong enough to stand on their own.

We are also helping and encouraging those brethren who are under great trials and temptations. And still continue whatever we can do for the progress of God's cause.

Last June 25, we held again our regular fellowship for the whole _____ brethren, and thank God for this fellowship. It gives strength and encouragement in the faith for everyone.

This coming July 11, my family and other brethren will be going to _____ to visit our brethren there, especially those that are still in Grover's group and then to attend the Camp meeting there in _____ on July 17-23. Please include us and our work there and also the upcoming Camp meeting in your prayers. May we all be blessed and God's name be glorify....

I thank the Lord for keeping us safe and sound for this past months especially with our missionary works and travel. Last July 11, we went to _____ to visit our brethren there prior to the said date of the Camp meeting that was held on July 17-23. It was truly a blessed time because we were able to meet again our brethren that we haven't seen for few years because of the pandemic, and we were able to meet new people.

Brother Bob, one of the things that we were so grateful to God is those brethren that were in the group of Grover before, the Lord is waking them up. Some of them are joining us now. Their eyes are now opened and saw the deception and lies that their former group did and hold. Some already joined and attend the Camp meeting in _____. We are hoping and praying that more souls will be awoken and come back to the fold and to the truth.

After the Camp meeting in _____, we went home (last July 25). My husband and our two children went directly to _____ to visit brother _____'s family and relatives and share to them our position. They are active in the SDA church. I am happy and grateful to God that our two children (22 and 20 years old) were able to share the truth to others most especially to our own families. As their mother, it is my highest dream for them that they may serve God faithfully and do missionary work in His cause and that God will bless and use them as instruments to advance His cause.

I was not able to go with them in _____ because our sister here in _____ who is new in the faith is very sick, that's why I decided to went home alone to help this sister in her condition. She was confined in the hospital for almost a month and yet went out from the hospital still in the worse condition or even weaker than before. Through the light and councils from the Lord and through the writings of Ellen White, I told her to try the natural way of healing and to stop the use of synthetic drugs that she is using for a long time, but then it didn't even helped her but worsened her case. I told her that drugs never cure disease but a poison and God will never healed those who used these poisonous drugs.

From the time that we studied it, this sister decided by faith to stop the use of drugs but rather used the God's natural remedies. And praise God that after a week that she removed the use of drugs, she become strong. Before she was so weak, she can't even stand nor do her work, always in bed. But now, she can walk and do her errand little by little. The health and happiness really is in following the way and councils of the Lord. And now she and her children are striving to follow the Lord and the truth.

Last week I went in the island and visited also our brethren there and encouraged them to continue to be strong amidst a lot trials and privations that they are experiencing right now. I spent Sabbath there with them and strengthened them through the promises of God in His words.

After I went home, my own father experience stomach ache. I tried to gave him charcoal and other herbal medicines and do hydrotherapy, but wasn't work for him. So we bring him to the hospital. After some laboratory test and ultra sound, the result came yesterday that said that he has liver cirrhosis. He is still in the hospital right now. Please include my father to your prayers.

This coming September 11, me, brother _____, my son and other ministers and workers will be going to _____, to do missionary work there. We will be having a Camp meeting there and help the brethren there to established in the truth and establish Gospel Order. Our brethren there also invited a lot of unbeliever people to attend the Camp meeting. Please include this also in your prayers. May God pour the Holy Spirit in this Convocation and may we be ready to receive the blessings.

Till here for now brother Bob. May God continue to help us to do the work that He is giving us and He find us faithful. May God continue to bless us all especially your ministry. A sweet regards to everyone. God bless!

Your sister in Christ, S.B., Philippines.

FROM UGANDA, EAST AFRICA

Dear Elder Sessler.

Christian greetings this way. It has been hard, for economies have collapsed the world over. It seems been going through the whim, which pushes the entire planet to global Marxist, common good for all, hence global social justice or socialism. Those may try oppose will end up (in) gulag archipelago. We are counseled not to ask, or complain - Ecclesiastes 7:10: "Say not thou, What is the cause that the former days were better than these? for thou dost not enquire wisely concerning this."...

Nations are struggling to survive. From July 2022 we as a nation, and host neighboring nations, lost their independence/identity to Deep State. Now we are citizens of East Africa. Economical distress, price crafty (gouging), water control, land grabbing, creation of landless communities are rife, an over urbanized population who are less human or transhumans, i.e. sleeping in shifts, hand out society, cannot afford basic needs - food, shelter, clothing, education, etc....

Heart disease, (heart) attack are on terrible increase accosted by Covids, C19, the vaccines and fears....

Our tract mission is set to do its work. I for sure have been going through terrible trials, the burden of helping vulnerable school going children and trying to feed those who are below poverty levels and then the work of God, ceaseless invasions of enemies of truth, the traffic fanaticism, self righteousness and seeming frustrations.

Thanks for your prayers and support...many hath the Lord through your stewardship touched. May all the glory and honor be ascribed unto Him. 2 Corinthians 9:8: "And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work".

1 Timothy 1:12: "And I thank Christ Jesus our Lord, who hath enabled me, for that he counted me faithful, putting me into the ministry."

Happy Sabbath. Yours in the blessed Saviour, B.K., Uganda.

FROM ZIMBABWE, SOUTHERN AFRICA

(Combination of 3 letters) Dear elder Bob,

On the 24th of June I set myself to visit the Southern Province to assess on the ground about the situation of the church since the SDA two week 'raid' in May. Although I was dearly welcomed by some members, I quickly realized that the church was no longer united as before. I needed also to find out if it could be possible to do an outreach work with the church in August this year to consolidate the church. But the church dismissed the idea of an outreach because most of them were deciding to attend the SDA Camp meeting in August. That is when I was heartbroken. The damage had already occurred. They did not indicate to me as I was with them that they had chosen to be part and parcel of the SDA, but they insisted that they needed more time to fully understand our message....

When I left on the 26th of June, I began to work very hard to collect materials for distribution. I visited LTBL Ministries website for more outreach materials as I was planning this month's visit again. But on the 12th of July, I received a letter from the church in the Southern Province declaring that they had decided as a church to be members of the SDA church. I was shocked and I wept without ceasing. I was later comforted when I gave this report to my fellow brethren about the development in the Southern Province. I have realized how robust the foe that we are battling with. I have learnt that more prayers are needed in order that this work can be a success. May the Lord remember me in my efforts in this great work.

I am however still working an urban field where I am hoping to establish a viable branch again. It is a difficult field to work in, but methods such as distribution of materials, personal ministry in door to door Bible studies are still ongoing. I believe the Lord will see me through in this work. I must take this opportunity to kindly request some materials for outreach purposes. Keep the faith my brother and remember us in your daily prayers....

I appreciate receiving my belated July support. I am sorry for the late response as I was very busy in the field of work and poor internet network in the Southern Province where I was. I returned to my family on Monday after a two weeks mission work on the remnants of the church that was raided by SDA church. I am however happy that the Lord is working on those who are His....

The name of the Lord must be honored and praised because He is abundant in mercies and justice.

Beginning of August, we started publishing a monthly Newsletter by the name Loud Cry Herald. Due to the pressing need to awaken both the leadership and laity to the importance of Gospel Order, we have since managed to publish at least four Newsletters in less than two months. At the same time we have started an online website aimed at reaching as many souls as we can and to interact more with the public. You may visit the website at www.theloudcryherald.com for more information.... I believe the Newsletter is a baby of my online evangelism WhatsApp platform which has been committed to arousing the sleeping saints to what they need to do and to add more force to our audience to the present truth....

The printed page is the way to go as a tool in evangelism, and I hope this Newsletter shall be our major tool to evangelize the Southern Africa - especially Zimbabwe, Zambia, Malawi, Democratic Republic of Congo, Tanzania, Mozambique, South Africa, Lesotho, Swaziland, Botswana, Namibia and Angola.... This is one of the most important initiatives that the Lord has blessed us with post Covid 19 era, and the most importantly is that as church leaders in Southern Africa we have now found each other. We are looking forward to work quite a number of issues before December when we are also planning to attend the annual Camp meeting of our sister church in _____.

More and more prayers are kindly being solicited so that the Lord may bless His work.

Kind regards, B.N., Zimbabwe.
